Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection.

*It is more reasonable to redistribute isolated communities in their entirety to a new division rather than hack off a few suburbs which are an integral part of the Townsville city and who wish to continue to remain so.*

Yours sincerely,
