Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection:

*Taking Annandale into another electorate
where its office is 400 km away does not
argue for common sense.
We need parliament up close to us so
we can convey our concerns in person
when it is convenient to us, not when a member
arrives a couple of times a year*

Yours sincerely
