Dear Australian Electoral Commissioner,

I am writing to you in relation to the proposed redistribution in the seat of Herbert.

I wish to lodge an objection to these proposed changes which would see significant parts of Townsville become a part of the division of Dawson.

These are the reasons for my objection:

- It is ridiculous to be represented by someone who is based in Mackay.
- As the member's office would be so far away, the member would have little awareness of concerns affecting this area.
- A great number of the constituents live in this part of Townsville.

Yours sincerely
