Dear Sir/Madam,

**Re: Redistribution of Electoral Boundaries in Queensland**

The above matter was discussed at a recent Council Meeting from which I am directed to advise that Council support the views of the Western Queensland Local Government Association in urging that any redistribution or realignment of boundaries consider communities of interest and means of communication and travel within the proposed divisions.

Should you have any queries regarding this matter please contact the undersigned.

Yours sincerely,

  
**Michelle G McFadyen**  
Chief Executive Officer
