Dear Sir/Madam,

I am incensed and appalled at your proposal to alter the Federal Electorate of Boronganite and Colac Otway Shire to other electorates. What will it gain = ZERO. A lot of expense and a LOT of division and angry people;

We have a new dual Highway almost completed from Geelong to Colac. Why are you doing this?? I go to an eye specialist in Geelong. My diabetic specialist comes from Torquay.

NOT. Warrnambool or Hamilton or Portland or Kanimba. Have you looked at the map.

A lot of students train at Geelong & Ballarat.

As for the new name it's appalling. Hardly any one has heard of No Cox. I shudder to think I lived in COX. dreadful please change that.

I hope you have been out and heard the people's views. What an expense and utter waste of money. I sincerely hope you squash this mad plan for Colac. Thank you.

I remain

yours
