Dear Sir,

I like to register our objections to the proposed boundaries of Dunkley electorate by Australian Electoral Commission.

Desilva Enterprises trading as SAI Home Care and SAI Education is an organisation situated in Frankston CBD.

We have formed strong relationships and service people residing in Frankston, Mt Eliza, Mornington and Mt Martha. Also our staff live and service the above mentioned areas. We have chosen these areas as these suburbs are intrinsically linked in terms of healthcare, shopping, social life, and schools.

The proposed suburbs of Carrum Downs, Skye and Sandhurst have no commonalities with Frankston area and it would disenfranchise our business.

Therefore I strongly register our objections on commercial grounds to the proposed boundaries and if I may suggest addition of Mornington, Mt Eliza and Mt Martha which are all in Briars Ward of Mornington Peninsula Shire Council will be an appropriate fit to Dunkley electorate.

Look forward to hearing from You.

Thank You

Upali DeSilva
