Dear Committee Members,

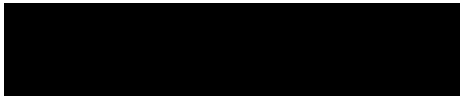

I wish to object to the exclusion of the suburbs of Flagstaff Hill and Craighburn Farm from the proposed realignment of the Federal seat of Boothby.

As a Blackwood resident, I find it simply illogical to propose the removal these two suburbs from the seat. There is a commonality of interest and usage, and hence of political concerns, of the suburbs surrounding Blackwood as their hub, and which most certainly includes Craighburn Farm and Flagstaff Hill.

In my role as Chairman of the Blackwood and Districts War Memorial Hall, and as Vice President of the Blackwood Community Recreation Centre, which collectively serve the recreational interests of over 4,000 Hills residents each week, I see this commonality of interests daily.

May I urge you to reconsider the current proposal and retain, in good sense and logic, Craighburn Farm and Flagstaff Hill in the seat of Boothby.

Yours sincerely,
