

Objection 15

Alison Carter

Hello Redistribution committee.

My name is Alison Carter I am a citizen of Victoria.

I am writing to about the objection for the change of the Division of Corangamite where the boundaries cover from Port Phillip, Ballarat to the Surf coast area and change the boundary to Tucker.

The reason why I object the change is I live in Echuca and I live on the Yorta Yorta land, and if the boundaries should be changed it should be Nicholls's boundary, where it should be changed to Tucker. Where Margaret (Lilardia) Elizabeth Tucker was an inspirational Yorta Yorta person, it would have more meaning to all of the area of Nicholls, because Yorta Yorta land covers all the Nicholls area in the Electoral division for the federal election.

Sincerely

Alison Carter
