

**THE FEDERAL
REDISTRIBUTION
NEW SOUTH WALES**

Suggestion 46

The Greens NSW

13 pages

The Greens NSW suggestions to the 2023 NSW Federal Redistribution

Executive Summary:

The Greens NSW believe that the required changes that are needed to make the redistribution work are evidence that the Federal parliament should be expanded. The geographical size of seats that are needed will make the local members' jobs much more difficult in Western NSW in particular. The Greens NSW also believe that the commission should give strong thought to using Aboriginal names where applicable when renaming divisions.

This submission aims to cover broadly three key areas, North East New South Wales, Northern Sydney, Central and Eastern Sydney. This submission also touches briefly on implications in other areas of the state as well.

North Eastern New South Wales

The Greens NSW suggest that based on the projected vote data from the commission that there is no need to modify the boundaries of the divisions of Richmond and Page. The Greens NSW would suggest that to resolve the imbalance in New England that that division should expand further into Lyne and Cowper with adjustments between Lyne and Paterson made to bring each towards quota appropriately.

Northern Sydney

For the purpose of this submission The Greens NSW include the following existing divisions on the Northern Sydney region: Warringah, Mackellar, North Sydney, Bradfield, Berowra and Bennelong. On present enrolment there are only quotas for 5.5 divisions, and on the projections this declines further to 5.2.

We propose the abolition of the division of Bradfield as it would minimise the amount of boundary adjustments for the remaining and surrounding divisions.

Mackellar

The following SA2 areas should be transferred from Bradfield to Mackellar Forestville, St Ives, Pymble to address the voter imbalance

Warringah

The Greens NSW would recommend that Warringah moves north and east to take in Dee Why and Cromer in the North from the Division of Mackellar and expand East to take in

Neutral Bay, Cremorne - Cammeray and parts of North Sydney - Lavender Bay to address the imbalance from the current Division of North Sydney

North Sydney

The Greens NSW would recommend that North Sydney take the rest of Chatswood - East Chatswood (West) - Lane Cove, Castle Cove - Northbridge and what is needed in the Lindfield - Roseville SA2s from the current division of Bradfield. The Greens NSW would recommend that this seat be renamed Cammeraygal

Berowra

The Greens NSW would recommend that the Division of Berowra take in the rest of what was left of the Division of Bradfield after the previous changes

Bennelong

The Greens NSW believe that the division of Bennelong should move such that Carlingford is unified in this division and should take Cherrybrook from the Division of Berowra

Central / Eastern Sydney

For the purpose of this submission The Greens NSW include the following divisions in the Central Eastern Sydney region, Sydney, Wentworth, Grayndler, Kingsford Smith, Barton, Watson and Reid. Based on the voter projections there is a significant imbalance in this region

Wentworth

The Greens NSW recommend that the division of Wentworth should expand westwards taking in the SA2s of 117031329 (Darlinghurst), 117031333 (Potts Point - Woolloomooloo), and Lord Howe Island from the current division of Sydney. The Greens NSW also recommend that Wentworth should move south as well to take in the remainder of the Randwick - North SA2 and the following SA1s from the Coogee - Clovelly SA2:

11802165104

11802165121

11802165132

11802165117

11802165138

11802165125

11802165112.

This would address the significant shortfall in voters for the division of Wentworth.

Kingsford Smith

The Greens NSW would also recommend that Kingsford Smith electorate expands North West by transferring the following SA2s from the current division off Sydney: 117031643

(Rosebery - Beaconsfield), and 117031648 (Zetland). This would resolve the imbalance, considering that the area is projected to generally decline over the period 2023 to 2028.

Sydney

The Greens NSW recommend that the division of Sydney should shift south and west to unify Newtown and Annandale into one electorate as well as returning the Balmain peninsula to the electorate of Sydney. This would be done by transferring the following SA2s from the division of Grayndler to the division of Sydney 120021674 (Annandale (NSW)), 117031640 (Newtown (NSW)), 122021387 (Balmain) and 120021389 (Lilyfield - Rozelle).

Grayndler

Following those changes, The Greens NSW would recommend that the division of Grayndler expands west and south to unify Marrickville and extend into Canterbury and Burwood LGAs. This would be accomplished by moving the following SA2s from Barton into Grayndler 117021328 (Sydenham - Tempe - St Peters), 117021637 (Marrickville - South) and parts of SA2s 120031392, (Canterbury (North) - Ashbury), 119021661 (Canterbury - South). The Greens NSW also recommend moving the rest of the following SA2s from the division of Reid into the division of Grayndler, 120031676 (Ashfield - North), 120031677 (Ashfield - South), 120031679 (Croydon), 120031678 (Burwood). The Greens NSW would recommend that the following SA2s be moved from the division of Watson into the division of Grayndler 120031392 (Canterbury (North) - Ashbury), 1230031677 (Ashfield - South) and 12003193 (Croydon Park - Enfield).

Barton, Banks, Reid and Watson

The Greens NSW would then suggest Watson be abolished and Barton, Banks and Reid expand the now vacant seat.. This would then allow for a new seat to be created in the Camden / Leppington region where there is currently a surplus of voters.

Divisions West of Watson and Reid

The Greens NSW would recommend that divisions west of these current divisions should move east and north slightly to provide geographical space for a new division to be created in the South West of Sydney. The Greens NSW would also recommend that the current Division of Macquarie moves east to find voters either from Lindsay or from Berowra. This will avoid issues with Western NSW seats needing to grow even more than is necessary.

Division	Wentworth
