ADELAIDE SA 5001

Dear Sir,

Re:- Electoral Districts Boundaries Commission

Council understands that the Redistribution Committee for S.A. is currently reviewing the Electoral Boundaries for S.A.

The District Council of Loxton Waikerie respectfully submits that the whole of the Council area should be included in the one Federal Electoral District of Wakefield. With recent Council amalgamations the former District Councils of Waikerie, Loxton and Brown's Well amalgamated to form one Council.

We now ask that the former Brown's Well Council area be included in the Wakefield Electorate. We estimate that approximately 180-200 electors would be added to the Wakefield Electorate and taken from the Barker Electorate.

We would appreciate favourable consideration being given to this request.

Yours faithfully,

T.L. Burgemeister
DISTRICT MANAGER
