Subject: Queensland Electoral Redistribution

Ms Anne Bright
Australian Electoral Commission

Dear Ms Bright

I write regarding comments made by submissions to the Queensland Electoral Redistribution 2003 regarding the federal seat of Petrie. The city of Redcliffe is Queensland's first settlement city and it has an extensive history as part of the federal division of Petrie.

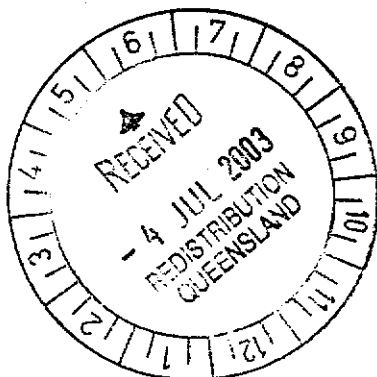

I therefore believe it is important that the existing boundaries regarding the local government area of Redcliffe City are maintained to preserve the ongoing historical dimension of this part of the electorate and the communities of interest that already exist here.

Cr Marilyn Madden
Redcliffe City Council
