Dear Sir,

**Re: Electoral Redistribution 2003- Moreton.**

I refer to your call for submissions on this redistribution.

My submission is that the river suburbs of Fairfield and Yeronga have as their focus, the commercial areas associated with Ipswich Road in the vicinity of Moorooka and should be in the electorate of Moreton.

These suburbs have little affinity with the near city suburbs of Highgate Hill and West End and they have even less in common with the south side suburbs that make up most of the new electorate of Griffith.

People from Yeronga obtain most of their services from the Moorooka facilities and identify with the area.

I have been a resident of Yeronga for 19 years and have served on community organizations for many of those years. In my opinion, most of the long term residents of Yeronga and Fairfield would share my views.

Yours faithfully,

Ron Baldwin.
