Dear Commissioners,

re Proposed Boundaries for Bonner and Griffith Divisions

I suggest realignment of the North Western Boundary of Bonner Division and South Western Boundary of Griffith Division :-

From Cavendish Road, Nursery Road, Logan Road, Marshall Road and South East Freeway

To Cavendish Road, Marshall Road and South East Freeway.

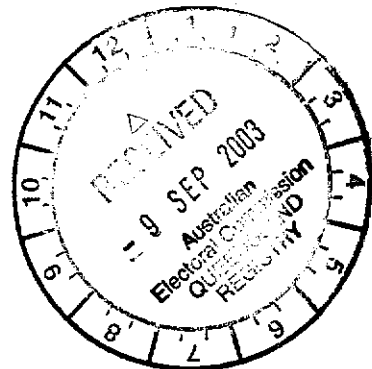

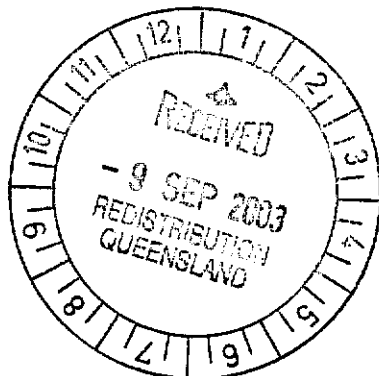

To me, this realignment would be neater, more decisive, direct and less ambiguous for Voters.

As well, it would do away with the zig zag approach of the proposed redistribution.

Marshall Road is a more intense road than Nursery Road which is a very minor road although Marshall Road is not a major road of the calibre of Logan Road and Cavendish Road

Yours faithfully,

Kenneth J H Wilson
