FAX TO: Electoral Commission
ATTN: Rehabilitation Secretariat
FROM: Ross McCowan

Dear Sir,

I have lived in Avocado Lane, Maleny for 20 years. In that time, like my neighbours, I have been in and out of the electorate of Fairfax, the electorate of Fisher and presently the electorate of Longman. On one occasion it was to pursue community interest, next time it was diversity of interest.

We are being treated like a truckload of cattle. I believe that the membership of the same electorate is of vital interest to the members. It provides growing continuity of interest and stability to the community. Back off and leave us alone with Mal Brough who is an excellent representative.

Yours faithfully,

R. McCowan
