Re: Proposed Federal Electoral Boundary Change  
Pages, including this: 1

Dear Sir/Madam,

As a recent purchaser of a residence in the suburb of Jensen, Thuringowa City, and a current voter in the Electate of Herbert I wish to strongly object to the proposal to include those suburbs on Thuringowa City North of the bohle river in the electorate of Kennedy. I Believe such a change would severely disadvantage the residents of this growing city environment.

Michael Dwyer
