SUGGESTION

12 - - 1

The Commissioner,
Australian Electoral Commission,
7th Floor, 488 Queen Street,
BRISBANE. 4000

Dear Sir,

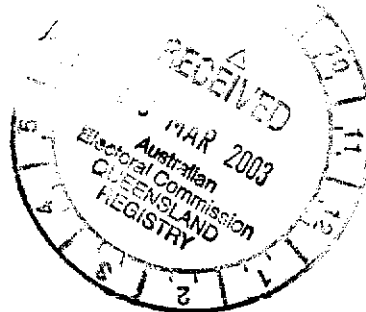

At the last General Meeting of Womens State Council, it was decided to contact your Commission, in view of the formation of a new Federal Electorate, to express a desire that the newly-created seat be named after a woman.

At the moment, only 4 of 27 Federal seats have been so named, and as there have been many outstanding women who have contributed much to Queensland on all sides of politics, we request that you consider our suggestion when naming the new seat.

Yours sincerely,

AB Bloyce

ANNE BLOYCE
