Dear Redistribution Committee,

I am a resident of Orchard Hills and have been for more than 40 years.

It has been recently brought to my attention that the ALP is proposing to move Orchard Hills into the Federal seat of Chifley regarding the redistribution of electoral boundaries.

I would like my opposition to this be known.

I shop in Penrith, have my doctors in Penrith, attend social activities in Penrith, and as you can see, collect my mail in Penrith. I consider myself a resident tied to Penrith - not Mt Druitt.

It would be appreciated if you could consider my views on this matter when making your decision.

Thank you
