ALP's Proposal to Redistribute Glenmore Park into Chifley

I would like to express my family's opposition to the ALP's proposal to place Glenmore Park into the seat of Chifley. My family and I have been living in the Penrith area (seat of Lindsay) for many years and conduct all our business within the Penrith area.

My granddaughter attends school in Penrith, attends swimming lessons in Penrith and attends little athletics in Penrith. Our family attends church in Penrith, shops in Penrith and our whole life is centred in Penrith. My son and daughter-in-law live in Penrith and my daughter lives in Penrith.

Our lives have no real connection with area of St Marys or Mt Druitt and the other suburbs in the Chifley electorate.

Glenmore Park suburb is closely linked with the Penrith CBD being only a few kilometres away. Everyday life and its issues are very much the same as those within the seat of Lindsay.

We feel our identity is linked to the immediate Penrith area and the seat of Lindsay. We would strongly oppose any decision to redistribute Glenmore Park into the seat of Chifley.

Yours sincerely,

Roy & Laraine Davies
