Dear Committee,

I am a new resident of Werrington who previously lived in Penrith proper.

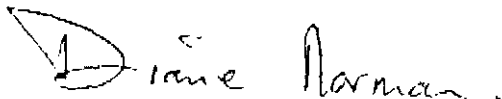

Although I have moved, I still consider myself a member of the Penrith community yet I have heard that there is consideration of placing Werrington in the seat of Chifley.

I shop, work, eat and socialise in Penrith. Nothing has changed for me but the distance and the way in which I travel, now by train instead of a bus.

I would not be happy being placed in the seat of Chifley having no connection with the community at all.

Please consider the residents views.

Kind Regards,

 Diane Norman.
