Dear Sirs

I would like to raise an objection to the proposal to abolish the seat of Gwydir and merge the electorate into the seat of Parkes as it appears to be far too large and too much for travelling for one member to cover being approximately 47% of the states area.

It also reduces the voice of country people in the parliament we need more voice not less. It seems that the legislative requirements for communities of interest and the size of the electorates to be considered in the redistribution process has been ignored.

Yours sincerely  
Alan H Baker
