The Secretary.
Australian Electoral Comm.

Dear Sir,

We live almost on the Queensland
New South Wales border, & have felt for a
long time that the Gwydir Electorate is
far too large for a Member of Parliament to
cover to be able to represent us all
properly.

Now we are SHOCKED & SADDENED
to learn of your plans to amalgamate
Gwydir & Parkes, almost wiping us out
of existence.

We pay huge taxes in this area &
deserve to have a fair representation in
the running of our country.

Your plans should be changed to
split Gwydir into 2 smaller electorates.
Please scrap this ridiculous plan.

Worried tax payers,
Mehora M. Houston
John Houston
