Subject Abolition of the seat of Gwydir

Classification Unclassified

I should like to register my strong objection to the abolition of the seat of Gwydir. We are an important part of New South Wales and deserve to have a representative who can attend to all the needs and progress of our area. To have the seat abolished and become part of a much larger area cannot be anything but detrimental to our future progress.

We may be in the rural area but we still have a right to our own representative.

PLEASE GIVE US FAIR CONSIDERATION AND NOT LEAVE US FEELING AS THOUGH WE DO NOT COUNT.

We make a good contribution to Australia as a whole, pay our taxes and feel we should not be just brushed aside.
