Subject Proposed amalgamation of Gwyder and Parkes
Classification Unclassified

Dear Sir/Madam,

I wish to protest the proposed amalgamation of my electorate (Gwyder) on the grounds that the huge area and multiplicity of small towns cannot be properly serviced by just one man.

The politician would be forever away from his home and family and he better have a plane and full time pilot, otherwise he would spend more than half his electorate time on the road.

The proposal cannot be justified on any basis other than it is easy for the commission to balance the numbers.

Shame on you. Shame I say.

Geoffrey Furlong.
141 Upper St,
Tamworth. 2340.
