Dear Sir,

I would like to make objection to the redistribution of electoral boundaries effecting the Federal Seats of Parkes, Calare & Gwydir.

The abolition of Gwydir & it's inclusion in the Parkes electorate creating a "monster" electorate will make the servicing of those residents unwieldy & in fact create a "second class" society in effected areas.

The inclusion of areas such as the town of Parkes into the Calare electorate will group together areas with very little in common & create divisions of loyalties by the sitting members).

Probably the greatest injustice of all to come from this proposal is the total lack of sensitivity shown by the "powers that be" towards those of us who live West of the Great Divide - DO WE COUNT OR ARE WE JUST TO BE SEEN & NOT HEARD?

Yours faithfully

PETA M HOWARTH
