Dear Sir/Madam,

Re your plan to abolish the Guydir Electorate, you base your plan purely on the assumption , of the base population as it stands at this moment. I firmly object to this.

Reasons:" (1) I do not believe that in your deliberations you have taken enough consideration on what this 100 hundred year drought has done to this Western area, huge numbers of population have temporarily left the areas ,for the human need to earn a living" there is no money in this region for them to feed their families.

(2)

Immediately this drought breaks the population will return almost over night.

If you continue with your process we that are here, will have no voice in Parliament ,nor will these people when they return .

This Rural Town of Forbes has lost eight thousand people because of this drought, most of whom were employed in rural pursuits.

(3)

If this region is locked out of parliamentary representation as you envisage we will not recover for at least thirty years possible longer.

Yours faithfully,

H.E.Macnamara.
