Subject objection to proposed changes to electoral boundaries

Classification Unclassified

TO WHOM IT MAY CONCERN

I wish to register my objection to the proposed changes to the NSW electoral boundaries as advertised in the Sunday Telegraph July 2nd 2006. Gwydir must remain, and not merge with Parkes. Parkes is already too large for one member to administer. It is essential that we retain 7 seats west of the mountains. Public Suggestion #18 allows this to happen & should be given serious consideration.

Yours Sincerely

Peta Merchant
