To Redistribution Committee
for New South Wales

I wish to lodge a Protest
against extending the
Gwydir electorate to size
where no person will be able
to do justice to the people
at present two persons is
required to do the job, you
will expect one person to do
the impossible to do the service
properly.

Why not joining 2 of the
small city electorates in place

I feel the country people do
not count.

Hoping for a fair go!
