REDISTRIBUTION COMMITTEE
OF N.S.W.

P.O. Box 20014

WORLD SQUARE

SYDNEY. N.S.W.

Dear Sirs,

as entolled ~~electors~~ ^{Voters} of the Gywydis
Federal seat we protest strongly against
the new proposals for a larger seat of
Parkes and to do away with the seat of
Gwydis. This size is just ridiculous and
would not serve the people of Western N.S.W
The size is too big, one member could not
service this area - we would never see our
member or get anything done for us.

This is just another blow to Rural N.S.W
which is struggle to cope at the moment
with Drought & the Carr governments Green Policy

Please reconsider this proposal for our good

Thanking you

Nea & Gordon Worrell.
