To Whom It May Concern -

I find the sudden announcement of wanton electoral boundary changes that will affect the Bathurst area to be an insult to the local community, an insult to the spirit of democracy and a possible direct attack on Mr. Peter Andren - who has proved to be an ethical and hard working representative

Obviously I myself, along with the many other people who vote for Mr. Andren, appreciate someone who is his own person. Perhaps this presents a problem to the aspiring puppetmasters who seem to be chipping a bit more off our democracy each day.

We only have to watch the news see that this is not the time for the irresponsible use of power; it is if peace and the common good are on our agenda. Yours sincere
 (Mrs) Illi de Boer
