Aust. Electoral Officer NSW.

Dear Sir.

We would like to register our objections to the removal of the seat of Gympie in the proposed redistributions of Federal Electoral Boundaries in N.S.W.

The proposed seat of Parkes is so big it will make it very difficult for the elected representative to adequately cover the electorate.

Also, the name of Gympie has survived since federation & should remain the name of electorate.

With so many seats in Sydney & distance not being a problem, removal of one of these seats would be a more logical solution to the perceived problem.

Thanking you,

Ross & Pamela Ann  
Russell.

P Russell
