Dear Mr Commissioner. How could  
anyone in your or your committee ever consider the  
enlargement of Parkes electorate to be up in question.  
No man alive could possibly serve an area that  
size. For goodness sake exercise your influence  
to come back to normality, not increase Parkes & to  
retain Guyra. There are many small electorates in the

Sydney area that could be easily amalgamated  
without causing any ripples at all.

Please think of the people in the huge  
N/West of NSW, leave as they are.

Sincerely

G. N. White
