Dear A. E. C.

I write with much concern about the proposed changes to the Gwydir electorate. There are less numbers of people in country areas but this is made up by the great amount of productivity these areas produce. To make a larger electorate would mean much less services for all those living in this historic Gwydir electorate.

Please let those of us who live "over the mountains" keep our Gwydir electorate.

Yours sincerely
Nada Fry (Mrs)
