Sydney, N.S.W 2002

What on earth do you think of me country  
folk? Our numbers may not be as great as  
urban areas - but we are part of a  
democratic society and deserve proper  
representation in our Parliament.

By demolishing an Electorate of Sydney  
you are asking one M.P. to cover nearly  
47% of our state of New South Wales.

I feel we would be seriously under-  
represented by this redistribution.

Please think again and CONSULT  
us.
