Hello,

I strongly discourage the redistribution of Farrer (NSW) which will include Broken Hill.

I feel the seating Member Sussan Ley has enough on her plate. Sussan has done a sterling job for Farrer since being elected to Federal Parliament in 2001.

Broken Hill ia almost a 9-12 hr drive from Albury (where Sussan Leys office orginatees from.)

Put it simply Albury has nothing to do with Broken Hill and Broken Hill has nothing to do with Albury.

I am sure the electors of Broken Hill would be in my frame of mind.

I would urged the AEC to seriously consider amalgating a metropolitan seat within the Sydney area.

At least the seating member would have less to travel.This would either be a

Labour or Liberal seat.

Thankyou

Simon Hull
