Mr Campbell
The Australian Electoral Commission

Dear Sir,

I should like to express my concern
because I have been informed of the
possible loss of the National Party
Seat of Gwydir.

Not only does this mean the loss of a
National Party seat but it creates an impossibly
large area for any one member to cover
and represent efficiently.

I will remain confident in your being able
to see this and prevent it from
occurring.

So I hope you will not disappoint
me and many others like me.

Yours faithfully

Marilyn Trebeck
