Dear Sir,

I am writing to strongly object to the boundaries redistribution proposal to scrap the enormous federal seat of Gwyder and merge it with the even bigger Central West electorate of Parkes'

It is such a large area I feel we are at a distinct disadvantage in not being able to have access (or distinctly limited access) to our local member. It would be nice to have our MP to be local, accessible and know he understands our local issues.

I would much rather have seen this decided on equity of representation.

Yours truly,

B. J. P. O'Neill
