- * Dear Committee,
- * Our family of voters (7) strongly oppose the abolition of GUYDIR — why not a Sydney electorate, causing immensely less upset.
- * The new PARKES electorate would be PHYSICALLY impossible to adequately represent us all.
- * We need to SEE & be ABLE to visit our M.P. Is this not our right in a democracy? Consideration has NOT been given to the SIZE of the proposed electorate
- * How come MURRAY-DARLING was reduced in size because of its "Too Big" state ???
- * PLEASE, PLEASE, see REASON, and give us a chance out here to have some kind of a political voice, equivalent to our city cousins
- * How could our M.P. ever hope to hold a MINISTERIAL appointment, & be able to be familiar with the electorate - They would spend most of their time travelling.

NOT DEMOCRATIC

Yours Sincerely,
A. ...
