Dear Sir

I wish to convey in the strongest of terms my objection to the redrawing of the federal boundaries in NSW. How can the proposed new seats be properly presented? As usual its the inland SW affected; just another example of the raw deal we get over the Great Divide.

It's not a matter of simply changing lines on a map! It affects voters who care very much about who represents them.

Again I state in the strongest of terms my objection to the proposed changes in the federal electoral boundaries.

Sincerely  
Lyone Rees.
