Dear Sir

I wish to object strongly to the abolition of the seat of Gwyder in the proposed redistribution of Federal Electoral boundaries in New South Wales. It is absolutely ridiculous to propose that one person could adequately serve the needs of an electorate that covers 47 per cent of the area of N.S.W. The Gwyder electorate contains some of the most productive country in N.S.W. and the towns in the area are experiencing a surge in growth and economy. In a situation such as this we need, more than ever, the close attention of a local member to keep this momentum going

Yours sincerely,

Bruce B. Bailey.
