Dear Sis,

Although we are not in the Curydir Electorate my husband and I are extremely ^{concerned} about the proposal to abolish the seat of Curydir and merge the electorate into the seat of Parkes as we feel this will impact adversely on the people in that electorate.

With such a huge area to be covered it will be difficult for an elected member to have face to face meetings with members of the electorate. It could make local issues difficult to fully comprehend thus it is doubtful that full and fair representation could be assured.

Another matter of concern to us is that by abolishing a country seat the already small voice of country people will be further reduced. Country voters have just as much right to be

heard as are city voters.

We trust you will seriously reconsider this proposed redistribution to make it more fair and equitable.

Yours faithfully
Anne & Allan Kermode
