Dear Sir,

I & my mother dismiss the proposed boundary of Batemans Bay to be put into the Sylvania Shire. We moved south from Grafton Shire NSW to a better life in retirement after Father past away to live on the Water Coast. I want the area we live to remain as it is I only wish to see the Member of Edon Monaro kicked out & a Labor or independent take control of this seat. Maybe then we can push together a Train service from Noorah to Victoria & the Princes Hwy widened like the Hume Hwy. No Marine Park here either, its the reason people come here for holidays & to catch a fish like what my father did at Woy Woy Urina when alive. I want want this area spoiled here with more houses like what happened to Central Coast. Mums 82 & Im 63 on 10th July, when Mums gone Im going to sell out & move to Jossie where Mums father was born. If I want to go to Sylvania is to hop in car & go but I dont wish to be changed from the way it is now here.

Yours Faithfully  
Doug Beard
