Dear Committee Members,

I write to voice my strong opposition to the proposed redistribution that would see the elimination of Gympie as a Federal Electorate. There are a number of reasons for my objections.

Firstly the lack of representation that will occur under the proposed redistribution. It will be impossible for a Federal member to adequately represent the area - Country people deserve to receive representation that compared to that in cities.

Secondly, any Member in the proposed of Pakenes will not be able to fulfill a senior role in the Government; through desperately trying to adequately represent their own seat.

Thirdly I understand that predicted population growth rates indicate that other areas have lower growth rates, than Pakenes & Gympie.

I trust that you will give real consideration to these points, and chose to maintain the seat of Gympie.

Yours sincerely

John Barwick
