Dear Sir/Madam,

I am writing to object to the loss of the seat of Gwydir, in the recently proposed federal electoral redistribution of N.S.W.

I am totally opposed to this proposed redistribution because it would mean a huge loss of representation for the people of Gwydir. I believe it would be impossible for one person to adequately service an electorate that covers nearly half our state, and it also means that member of Parliament would not have the time to hold a position that would give a powerful voice to rural concerns.

Yours faithfully  
 Janet Stinson.
