Dear Sir

I wish to protest at the proposal to abolish the Electorate of Gwydir.

I am surprised that any sane people could come up with such a silly proposal when there are other ways of achieving the required result with much less disruption to the life of ordinary people.

For one person to cover the whole of the proposed Electorate of Gwydir he/she would have to spend a lot of time away from home. The large amount of travelling can increase the chance of road accidents.

Please renege this proposal
Yours faithfully

Ron McKenzie
