Dear Sir/Madam,

I wish to record my strong opposition to the
AEC Redistribution Proposal.

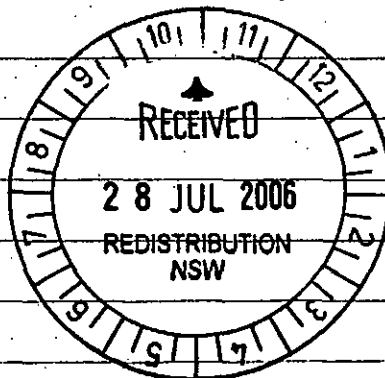

at 47% of the total area of NSW, the proposed new seat
would be too large to allow a member to equitably and fairly
service his or her constituents or to serve in a ministerial
Capacity

The proposed Redistribution and the loss of the Byng Electorate
would reduce the number of Country Representatives in the
Federal Parliament, thereby reducing the political voice of
Regional Australia.

Yours faithfully

J Chamberlain
