Dear Committee,

I wish to formally protest the abolition of the electorate of Gwydir. It is patently ridiculous to have one Member of Parliament looking after almost 50% of the geographical area of NSW.

The people that live in regional NSW are already missing out on reasonable services. The cost alone of freight for any product makes many items completely unaffordable.

To remove access to the local Member of Parliament by creating an unserviceable area is blatantly unfair.

Please reconsider what is a very poor proposal.

Yours faithfully
