Subject Re Gwydir electorate

Classification Unclassified

Dear Sir/Madam

I wish to lodge my objection to the amalgamation of the gwydir elctorate. I am a resident of the gwydir electorate but am currently overseas, I believe it would be grossly unfare to the rural voters to form such a large electorate.

The vast size of the electorate would means that there is no way that 1 member could adequately cover and represent it.

It is just another example of how the government finds it easy to shunt the rural areas to the side so as not to upset their urban neighbours.

I pose this qusion to you, Why not amalgamate to sydney seats to make way for the new queensland seat?

Yours Faithfully
Patrick Shaw
