Proposed Abolition of the seat of Gwydir

Dear Sirs

We implore you to please reconsider the proposed abolition of the seat of Gwydir and create a mega-seat covering 47 % of New South Wales and call it Parkes.

It would be absolutely impossible for any human being to adequately and effectively represent such a huge area and this in it self would reduce the voice of country people even more.

Please reconsider this crazy proposal and leave the seat of Gwydir and Parkes as they are and merge a few city seats to abolish the seat necessary to fulfill the required act.

Yours faithfully

Kent & Kylie Lummis
