**Proposed Abolition of the seat of Gwydir**

Dear Sirs

As a family that have been on the edge of Gwydir and have been represented by a fantastic although very busy member for many years, we realize how difficult it has been to have the representation that we have required at times, it would be impossible under the proposed seat of Parkes.

Country people deserve a much better deal and we strongly urge you to reconsider this ludicrous proposal. Please come out to this beautiful part of the world and see for your self what it means to sit in a car for 15 hours just to drive from one side of the proposed electorate to the other.

Unfortunately the only candidate that could have done justice to a seat of that size was nailed to a cross on Good Friday many years ago.

Yours faithfully

A handwritten signature in cursive script, appearing to read "G. Lummis".
