SUBJECT: loss of seat of Gwydir.

Dear John.

I picked up these sheets yesterday from the P.O. then realised there would not be time by post for them to be sent to Gunnedah so I am forcing them to you in the hopes you can place them in the right hands before Friday.

Thanking you
Elaine Heaslip.

Petition opposing the abolition of the Federal seat of Gwydir

We, the undersigned, wish to record our strong opposition to the AEC redistribution proposal that would abolish the federal seat of Gwydir. We do so for the following reasons :

1. At 47% of the total area of NSW, the proposed new seat would be too big to allow a Member to equitably and fairly service his or her constituents, and/or serve in a Ministerial position.
2. The loss of Gwydir, a Federation seat, would reduce the number of country representatives in the Federal Parliament, thereby diminishing the political voice of regional Australians.
